

Planting the Seeds of Community & Friendship

An Interfaith Program

Please join us for our next community meal:
**Sharing Our Story: Where do we come from,
and where are we going?**

Saturday, November 17, 2018

6:00pm

Ridgefield-Crystal Lake Presbyterian Church

8505 Church St, Crystal Lake, IL 60012

All ages are welcome! Children's activities will be provided.

Pastor John from RCLPC will be presenting *Where Do We Come From, and Where Are We Going?* We'll continue that discussion during our community meal.

Members of Resurrection, AMCO, Ridgefield Presbyterian Church, the Jewish Congregation of McHenry County, are coming together to find ways to build bridges and plant the seeds of community, friendship, and harmony among all faiths.

We will be planning quarterly fellowship events at the various places of worship for adults, youth, and children. The culmination of this year's theme "Planting the Seeds of Friendship" will be the planning and planting of a vegetable garden next summer, and delivering our harvest to a local soup kitchen or food pantry in the fall of 2019.

Please direct all questions and RSVPs for this event (we need an idea of how many people will be attending in order to provide food):
