With Heartfelt Thanks

We have truly been blessed with Raechel Sowa's joy, talent and energy in developing our youth group and Sunday school program. As life changes, Raechel has told us she needs to step down so we will be seeking new ideas and new people for the program. She is setting up an outline for next year's program, but will end her duties July 31. Please thank her for her work, and help her separate from the kids and program that she has loved.
